

Turn Up The Volume

We all love FUN and PHYSICAL CONNECTION! Here are some handy tips for exploring CONSENT and turning up the volume on and off the dance floor.

- See someone interesting? Approach them so they can see you, make eye contact, introduce yourself.
- Want to dance? Kiss? Fill in the Blank? Before each type of interaction, ASK! "Is it OK if I (fill in the blank)"
- SOBRIETY is required for full consent!
- Buying your new friend a drink/gift? They do not owe you anything!
- Your new friend agrees to _____ ? This does NOT mean they have consented to anything else.
- Consent is enthusiastic, freely given, and can be revoked at any time.
