CONVERSATION POINTS FOR A MAGICAL HOOK-UP

STIs (Sexually Transmitted Infections). Current / past status? Last time we were tested? Last Partner?

Pregnancy: Accidents happen, so what do we do?

Relationship Status: Are either of us seeing anyone?

If so, what are our agreements and boundaries?

Intentions & Emotions: How do we feel about each other? What do we expect from this interaction?

The Bigger Picture: Is us hooking up going to be more trouble than it's worth? Are you my best friend's ex, my ex's best friend? Housemate? Co-worker? Maybe we should just be friends ...

BE RADICALLY HONEST • EVEN IF IT MEANS YOU WON'T GET LAID
